THE PANTHER

Mr. Floyd Herriage

We, the class of 1960, hereby dedicate this edition of "The Panther" to Mr. Floyd Herriage who, while a member of the O. H. S. faculty, was not only a teacher of commerce and coach, but also a friend of everyone. His unceasing patience and sincere helpfulness has contributed greatly toward the happiness and success of our high school career.

Mrs. Pat Smith

Our appreciation for the wonderful work and patience you have shown us cannot easily be expressed in words. Mrs. Smith, we would like to thank you for sponsoring us through our Jr. and Sr. years. We will always be grateful for your giving us so many last chances and your sincere interest in our work. Although many of us have never been able to show our feelings, we hope this appreciation will help you to understand.

Within the covers of this book, in picture and in printed words, is a brief history of the 1959-60 school year of the Oilton Public Schools.

We are indeed happy to have had the privilege of sharing some of these experiences with you. It has been fun to watch you work and play to see you grow each day from boys and girls to men and women, and feel that perhaps, in some small way, we have helped you to become a bigger person.

To the seniors, we especially want to say "Good Luck" and in the future as you browse throughout your yearbook, may many a smile cross your lips as you recall those happy memories of your days in the Oilton Schools.

Administration

The school year 1959-60 is fast drawing to a close. Left behind are many things you will want to remember. This book will preserve many of these memories for you, and I'm sure it is something you will treasure for the remainder of your life.

The efficiency, hardwork, organization, and desire on the part of the staff has certainly paid dividends in making the yearbook a success.

The yearbook staff and their sponsor are to be congratulated on their fine book for this school year.
